## List of Reference Numerals

	100	substrate
	100a	structured surface
5	110	opening
	112	first conductive layer
	114	seed layer
	116	contact structure
	200	substrate
10	210	via hole
	220	functional layer
	222	functional layer
	224	insulating layer
	226	electrical contact
15	228	mask layer
	230	opening
	232	insulating layer
	300	substrate
	302	front side
20	304	reverse side
	306	metalization
	310	via hole
	400	substrate
	402	front-side surface
25	404	section area
	410	section area
	416	contact structure
	500	substrate
